Tempura Prawn, Atlantic Prawns, Bloody Mary Marie Rose Sauce

#### **Creamed Garlic Wild Mushrooms**

Toasted Garlic Infused Sourdough, Asparagus Spears

#### **Yorkshire Pudding Filled with a Lamb Savoury Duck**

Bubble and Squeak, Yorkshire Sauce

Dating back to 1737 in North Yorkshire, the original dripping pudding was served as a simple meal for poorer households or servants of the rich where it would be cooked under a dripping shoulder of mutton. The Royal Society of Chemistry suggested in 2008 that a Yorkshire pudding isn't a Yorkshire pudding unless it's at least 4 inches high! We do our best!
