Although of ancient origin this classic dish was popularized in the United States during the prohibition period to disguise the use of alcohol. It was brought to the UK by the infamous Fanny Craddock. We make no apologies for including vodka in our version!

Yorkshire Pudding Filled with Bubble and Squeak and Lamb Savoury Duck £9.99

Yorkshire Sauce

Dating back to 1737 in North Yorkshire, the original dripping pudding was served as a simple meal for poorer households or servants of the rich where it would be cooked under a dripping shoulder of mutton. The Royal Society of Chemistry suggested in 2008 that a Yorkshire pudding isn't a Yorkshire pudding unless it's at least 4 inches high! We do our best!
